

Rosetta[®] Belvedere

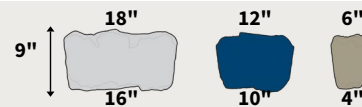

The Look of Natural Stone

Whether you aspire for an English country garden or a suburban landscape, Belvedere has you covered. By combining the look and feel of natural weathered stone, with the dimensional consistency of concrete blocks, this premium line of hardscape products allows for creative possibilities never before available in an engineered system. With multiple sizes and 64 unique stone textures, Rosetta Belvedere walls can help you recreate finely crafted stone walls that can create an impact for many years.

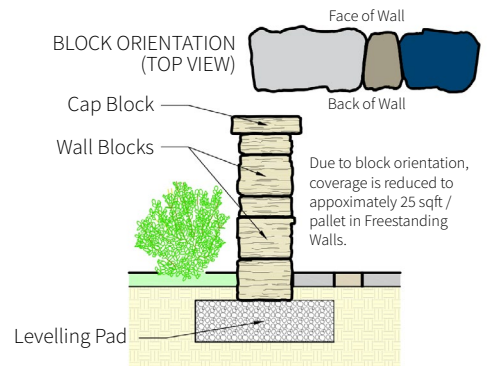

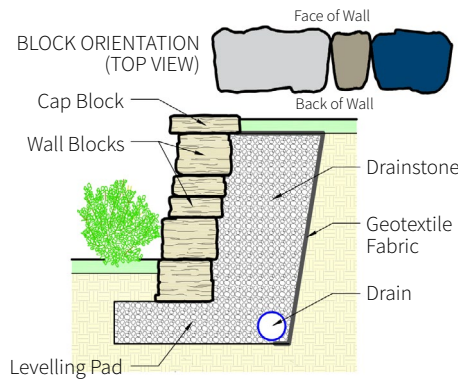

Its front and back surfaces have a highly natural weathered texture, which allows it to be used for two-sided freestanding walls. It's the ideal choice for garden retaining walls, seat walls, enclosure and tiered walls, fire pits, outdoor kitchens and more.
