

Quarry Stone Wall

The Heart of any Landscape

Quarry Stone delivers the well-worn appearance of a classic wall or structural accent that's been a part of the landscape forever. Each face features a tumbled finish making Quarry Stone particularly suited for freestanding walls or other applications in which all sides will be seen.

Understated and functional, Quarry Stone comes in a variety of colors that can be interchanged to create a timeless addition to any landscape. Quarry Stone is also available in a 12" smooth version.
