

MesaFlagstone Paver

Southwest Charm

Mesa Flagstone offers all the charm of natural flagstone, but with the advantages of a manufactured paver. Mesa Flagstone is a one-size paver with six separate faces and can be quickly installed in a simple running bond pattern. At 3.15 inches thick, it is suitable for everything from driveways, walkways, and patios and can withstand the harshest weather conditions including constant freeze thaw cycles. Turn your home into a homestead with Mesa Flagstone.

INSTALLATION NOTES

It is recommended that a Paver Saver Mat is used between the plate compactor and the paver surface. Polymeric sand is also recommended. Due to the false joints and design of stone face,

area will vary +/- .02 to .06 sq. ft. per stone.

For more in depth installation guides for specific products, visit BarkmanConcrete.com.
